When in doubt, e-mail us for advice at [customerservice@claridgeandking.com](mailto:customerservice@claridgeandking.com). Keep in mind, when you properly launder your His is Hers® Original Shirt (machine-wash using the gentle cycle in cool water with like colors; hang dry or tumble dry low briefly and remove promptly). Like all 100 percent cotton garments, it will shrink 3 to 5 percent (approximately 1-inch in length). Don’t worry, we specifically designed your His is Hers® Shirt to shrink and fit precisely with that sensual, loose, boyfriend-shirt look.
