

Opposite and this page, bottom right: Sink into a sea of pristine covers trimmed in navy. This dreamy ensemble showcases a coverlet, a European sham, and pillows from Stamattina, as well as berry-strewn sheets from Trekatte. Above: Claridge + King's high-waisted Mandarin Shirdress—with its classic ticking stripe and dramatic collar and cuffs—pairs perfectly with raffia accessories from Be You Fashion: a wide-brimmed hat and an oversize clutch, both woven in Madagascar. Top right: The Good Home Co.'s laundry products gently cleanse, leaving washables with a subtle fragrance. Hand-loomed jute-cotton fabrics and macramé-rope handles give this basket from The Dharma Door nautical flair. Below: Lending touches of blue to the dressing table are Caswell-Massey's Elixir of Love No. 1 Body Lotion and a delicate box from The Import Collection.
